

Instructions for filling out the Marriage Preparation Inventory

1. Please print 2 copies of the attached form.
2. Fill out the Inventory separately. Please take the time to answer the questions thoughtfully and thoroughly. These forms will help you to learn more about your fiancé, as well as help us to get to know you as quickly as possible.
3. After you fill out the forms individually, take time to discuss your answers with your fiancé – this should serve as a catalyst for much dialogue.
4. Please turn the two sets of forms back to the Sojourn office before your first scheduled session. Your inventories will be reviewed as a means of pairing you with the right couple for your counseling.
5. Please call us if you have any questions about filling out this form or about our upcoming session. We look forward to “journeying” with you over the next few months as you prepare for a lifelong marriage!

Please note that the amount of effort that you put into your pre-marital counseling may be indicative of the effort that you will invest in your marriage after the wedding.
