

How Can The Heavens Hold You?

Jeremy Quillo

E **G^{#m}**
How can the heavens hold you?
A **A/G[#]** **B^{7sus}** **B⁷**
How can the streets of gold be bright enough for you?
E **G^{#m}**
How can the world contain you?
A **A/G[#]** **B^{7sus}** **B⁷**
How can the universe be wide enough for you?

G^{#m} **C^{#m7}**
Still you cover me.
G^{#m} **C^{#m7}**
When my heart is weak
G^{#m} **C^{#m7}**
Still you comfort me
B^{7sus} **B⁷**
So I will sing...

A **E**
All the world join in praise
A **E**
Voices rising in praise
A **A/G[#]** **F^{#m}** **B⁷** **E** **B⁷**
Oh, my soul rejoice... rejoice (1st time only)
