Locked in sin's embrace.

Once, we were far from the love of Jesus,

Lost in Hopelessness.

Darkness fell, on the cross hung Emmanuel.

His blood was spilt, to rescue the guilty ones.

Sing, my soul, adore and wonder,

A#m G# F#

At my Savior's grace and mercy.

See our great Redeemer humbly,

A#m G# F#

Clothed in death, now robed in Victory!

Hushed is the mouth of sin and Satan,

By Jesus final breathe.

Freed from our chains, though the scars remind us,

Of peace that came from death.
